CERTIFICATE OF CONFORMANCE

We hereby certify that the product supplied is newly manufactured, conforms to the approved design data, and meets all requirements of the applicable purchase order. All supplies were originally obtained from the stock of an authorized source. In the event that a partial shipment of this order is made, this certificate is considered a blanket certificate and will cover all shipments of any quantities made against the purchase order.

We certify that: 1. Item number 1 above is manufactured in accordance with the material and processing specifications of this order.

2. We certify that the material on this order conforms in all respects to the current applicable government and/or manufacturer's specification. Test reports are on file and are available for examination on all Anillo manufactured parts. All claims for errors or shortages must be made within 10 days after receipt of goods.

No good to be returned without written authorization. All claims for defective material must filed within 30 days of shipment to receive consideration. We do not assume financial responsibility or liability from the use of products sold, other than the replacement value of the products sold, if claimed within the specified time limit above.

All shippers are subject to a quantity variance of +/- 10% unless specified otherwise.
