RMA #:

For safety purposes, it is imperative that the component parts manufactured by McFarlane Aviation, Inc. be installed and maintained in strict accordance with proper installation maintenance procedures. Installation of our products must be done by reference to appropriate service manuals and other data published by the original equipment manufacturer. McFarlane will not be responsible for any damage caused or contributed to by improper or poor installation or maintenance of our manufactured products, and specifically disclaims liability for any such damages, including incidental and consequential damages which are caused by improper installation or improper or negligent maintenance of its manufactured parts or related aircraft components. If the law of your state does not allow the exclusion of the implied warranties of merchantability or fitness for a particular purpose, nothing in the foregoing shall be construed as an attempt to disclaim or limit such implied warranties, if applicable.

Special Instructions:

Core Return Information

Cores must be returned within 30-days from the original invoice date and must be complete and in "as-removed" condition. Returning an incomplete core, damaged core or a different core model/part number than requested as exchange may result in partial or full deduction of the core deposit. Unacceptable cores may be returned to the customer at the customer's expense. For additional core return information or other assistance, please contact McFarlane.

Certificate of Conformance

Supporting documentation for items on this invoice are on file and available for review (subject to McFarlane Aviation, Inc. data policies). Records for items manufactured by McFarlane Aviation, Inc. include materials utilized during production, adherence to established processing procedures, in-process and final inspection results, and calibrated gauges used for acceptance.

Supporting documentation for distributed items (parts not manufactured by McFarlane Aviation, Inc.) includes a line of traceability to the original manufacturer and may include certification from the original manufacturer to required standards, materials, or special processes as applicable to the item.

These records will be maintained for 10 years minimum as per the McFarlane Quality Assurance Manual and Federal Aviation Regulation 14 CFR Part 21.137(k).

Items on this invoice also have applicable quality clauses identified that apply to each specific line item part number. Corresponding quality clauses are listed below:

Quality Clauses

1. The items on this invoice identified as clause 1 fully conform to McFarlane Aviation, Inc. approved design data.
2. The items on this invoice identified as clause 2 were manufactured using materials and procedures that conform to McFarlane Aviation, Inc. approved processes.
3. The items on this invoice identified as clause 3 fully conform to customer supplied data.
4. The items on this invoice identified as clause 4 fully conform with customer purchase order requirements.
5. The items on this invoice identified as clause 5 were proudly manufactured by McFarlane Aviation, Inc. in the United States of America by employees that are dedicated to Quality and our customer's safety and satisfaction. (Items not produced by McFarlane Aviation, Inc. may or may not be made in the USA).
6. The items on this invoice identified as clause 6 conform to one of the following approvals which will be clearly identified on the part or packaging:
 - FAA-PMA items conform to design data that was submitted and approved by the FAA on the associated PMA supplement for the associated article. McFarlane Aviation, Inc. manufactured FAA PMA articles are manufactured under FAA Parts Manufacturer Approval number PQ3732CE. Supplements can be downloaded from the McFarlane website at <http://www.mcfarlaneaviation.com/reference/>
 - FAA-STC items are approved on the basis of an FAA Supplemental Type Certificate.
 - FAA-TSO items are approved on the basis of an FAA Technical Standard Order Authorization.
 - CASA-PMA items are listed on an Australian PMA Supplement.
 - FAA-TC items are OEM produced items that are produced under the original FAA Type Certificate.
7. The items on this invoice identified as clause 7 is a part or material that conforms to an established industry or U.S. government published specification.
8. The items on this invoice identified as clause 8 are distributed parts that are not manufactured by McFarlane Aviation, Inc.
9. The items on this invoice identified as clause 9 are kits that contain FAA approved articles and/or standard hardware. Some kits also contain articles such as tools, which do not require FAA approval.
10. The items on this invoice identified as clause 10 are new and unused.

A handwritten signature in black ink, appearing to read "Dana Yarnell".
