For safety purposes, it is imperative that the component parts manufactured by McFarlane Aviation, Inc. be installed and maintained in strict accordance with proper installation maintenance procedures. Installation of our products must be done by reference to appropriate service manuals and other data published by the original equipment manufacturer. McFarlane will not be responsible for any damage caused or contributed to by improper or poor installation or maintenance of our manufactured products, and specifically disclaims liability for any such damages, including incidental and consequential damages which are caused by improper installation or improper or negligent maintenance of its manufactured parts or related aircraft components. If the law of your state does not allow the exclusion of the implied warranties of merchantability or fitness for a particular purpose, nothing in the foregoing shall be construed as an attempt to disclaim or limit such implied warranties, if applicable.
