13d. Name: Jay Caldwell M338650		13e. Date (dd-mmm-yyyy): 30-APR-2021					
Installer Responsibilities							
This document does not constitute authority to install the part. Installers working in accordance with the national regulations of a country other than that specified in Block 1 must ensure that their regulations recognize certifications from the country specified. Statements in blocks 13a and 14a do not constitute installation certification. In all cases, the technical record for the aircraft must contain an installation certification issued in accordance with the applicable national regulations before the aircraft may be flown.
