

CERTIFIED AIRCRAFT APPRAISALS

**Buying, selling, financing or
insuring an aircraft?**

As a Senior Certified Aircraft Appraiser, I can provide a credible aircraft value on business jets, turbo-props, helicopters and general aviation aircraft with an experienced, competent, impartial, objective and independent valuation.

Certified Aircraft Appraisals are performed in accordance with USPAP standards for banks, financing & leasing companies, underwriters, adjusters, flight departments, domestic and foreign corporations and individual owners. **Call for a FREE consultation.**
